

Vision PLUS Plan

Under the Vision PLUS Plan, you can see an in-network VSP provider or an out-of-network provider, but the plan will pay a higher level of benefits if you see an in-network provider. To find an in-network provider, visit www.vsp.com. Keep in mind that the medical plan options still cover an annual in-network non-corrective eye exam — but if you enroll in the Vision PLUS Plan, you will also have coverage for a corrective eye exam, lenses, frames and contacts.

The following chart shows the services covered under the Vision PLUS Plan.
