

Checking your medication costs

CVS Caremark® makes it easy to find out if your medication is covered and what it will cost. We'll even show you lower-cost options whenever they're available.

With the check drug cost tool, you can:

- Find out if a medication is covered by your plan
- Easily see lowest cost options, including generics
- Compare the cost of filling your prescription at mail or any retail pharmacy
- Compare the cost of 30-day or 90-day supplies of your medication
- Know if there are actions you and your doctor need to take before you fill your prescription

The tool is quick and easy to use:

- Your previous searches are saved, so you don't always have to retype
- As you type the first few letters of your medication, options will show to narrow your search
- You can easily edit your searches by dose, pharmacy or family member
