

Real people, real results

See why over 700,000 members choose Livongo to help them live healthier.

“Livongo keeps me aware of my glucose levels without the worry of running out of strips and lancets.

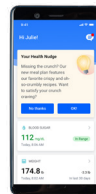

-Livongo member

\$0
out-of-pocket

With Livongo, you'll get:

A smart blood glucose meter
and unlimited strips
to guide your journey

A connected app
that tracks your numbers
so you don't have to

Access to expert coaches
for advice on diet, lifestyle
and more

The program is offered at no cost to employees and covered dependents with diabetes and coverage through the BCBS medical plan.
