2022 OPEN ENROLLMENT

Dear CPChem Colleagues,

This year stands out as a time of change for all of us as we continue to navigate the impact of the pandemic and adapt to the accelerated pace of business.

I believe we can succeed together no matter the circumstances. I am inspired by your resilience and your commitment to embodying the spirit of our tagline, *Performance by design. Caring by choice.*TM

CPChem is committed to providing an affordable and competitive benefits package to help us attract, develop and retain a dynamic, diverse and creative workforce while improving the health and well-being of our employees and their families. Open Enrollment is your annual opportunity to choose benefits that best fit you and your family. This year's Open Enrollment period is Oct. 20 to Nov. 5, 2021.

I am excited to share valuable enhancements to your 2022 benefits package. These offerings are aligned with our Company objectives to help improve your health and wellness, while expanding diversity, equity and inclusion, and continuously improving sustainability and digitization.

As part of our ongoing Total Rewards Optimization, CPChem is introducing Company-paid long-term disability (LTD) insurance, replacing employee-paid LTD. Today, two-thirds of CPChem employees self-pay for LTD, and one-third of employees waive coverage. This change will ensure all employees enjoy the protection of LTD coverage in the event of an unexpected health issue. For those currently enrolled in LTD, take-home pay will increase!

We are excited to expand fertility benefits to further assist same-sex couples as access to fertility benefits will no longer require an infertility diagnosis. Also, we are introducing an adoption assistance reimbursement benefit of \$10,000 per child with a lifetime maximum of \$20,000.

We are working with our new benefits administrator, Alight, to further sustainability and digitization as we discontinue printing and mailing most benefits communications and move almost exclusively online. Read your Open Enrollment resources carefully to understand our refreshed enrollment process.

If you have questions about your benefits or Open Enrollment, contact your local HR Business Partner or the CPChem Benefits Service Center.

Thank you for all you do — today and every day. Stay well and stay safe.

All the best,

Maricela Caballero

Senior Vice President, Human Resources

NEW!

What's New for 2022

The following changes are effective Jan. 1, 2022.

CPChem Benefits Service Center Changes

- Beginning with the 2022 Open Enrollment, Alight Solutions will replace Morneau Shepell as the administrator of the CPChem Benefits Service Center.
- The new phone number for the CPChem Benefits Service Center is **1-833-964-3575**. Representatives are available Monday through Friday, from 8 a.m. to 5 p.m., Central time.
- The new CPChem Benefits Service Center website is digital.alight.com/cpchem. You will use this site to enroll in your benefits for 2022.

Expanded Fertility Benefits and New Adoption Assistance Reimbursement Program

- An infertility diagnosis will no longer be required to receive fertility benefits, increasing access for same-sex couples, in the U.S. and Expat medical plans.
- As an alternative to fertility treatments, we will offer adoption assistance reimbursement of \$10,000 per adoption with a lifetime limit of \$20,000 per employee.

New Company-Paid Long-Term Disability Benefits

- Company-paid long-term disability (LTD) insurance will replace the current employee-paid LTD. The income replacement benefit of 60% of basic monthly earnings upon disability will be provided to all eligible employees.*
- You don't have to enroll in or pay for Company-paid LTD benefits, which provide financial assistance when you have a qualified illness or injury that lasts longer than 26 weeks.
- All employees will be automatically enrolled in LTD benefits with no Evidence of Insurability required to receive coverage.

* Pipe Hourly union employees are not eligible for Company-paid LTD.

Life and Critical Illness Insurance Enhancements

- For 2022 only, you will be allowed to increase your supplemental employee life insurance coverage by one times your annual base pay and/or supplemental spouse life insurance coverage by \$10,000 without Evidence of Insurability, subject to benefit maximums.
- We are adding a third supplemental child life insurance tier of \$15,000 for each child.
- Critical illness insurance premium rates are decreasing by 37%.

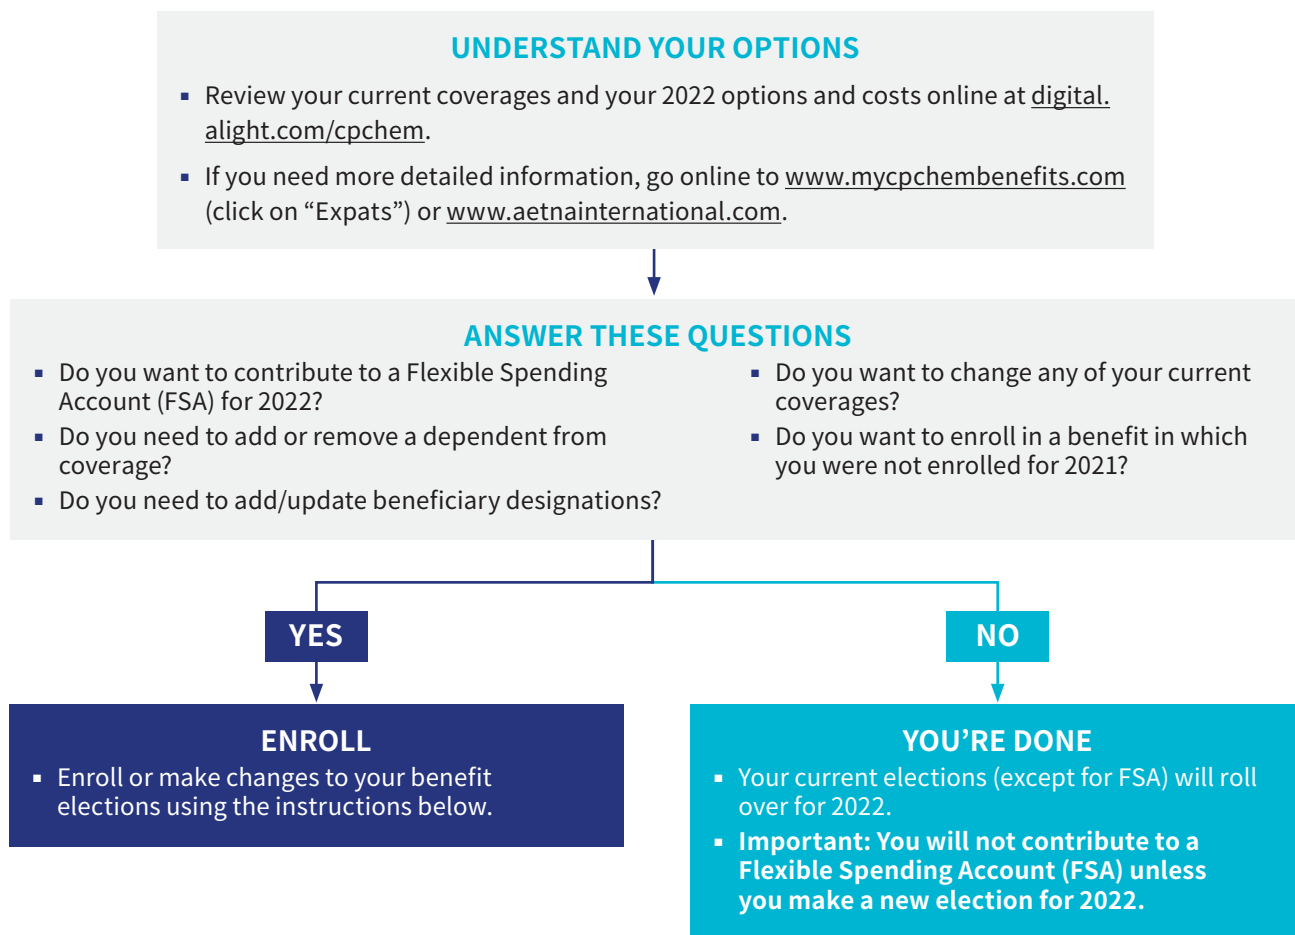

DON'T FORGET!

You can earn up to \$250 in rewards in 2021 by completing up to seven different activities through the **Your Journey to Wellness** program by Dec. 13, 2021. For more information, visit www.mycpchembenefits.com/wellness.

What You Need to Do

Open Enrollment for your 2022 health and welfare benefits runs from Oct. 20 – Nov. 5, 2021. You may or may not need to actively enroll — depending on your current benefits and the changes you wish to make for 2022.

Enroll

If you answered “yes” to one of the questions above, you should enroll for 2022. You can enroll online or by calling the CPChem Benefits Service Center. **Note the new website and phone number.**

▪ Enroll online

- Enroll through the CPChem Benefits Service Center website at digital.alight.com/cpchem. You’ll need to provide basic identifying information (last four digits of your Social Security number, date of birth and home ZIP code), and you will be prompted to create a password when you register for the website.

▪ Enroll by phone

- Call the CPChem Benefits Service Center at **1-833-964-3575**. Representatives are available Monday through Friday, from 8 a.m. to 5 p.m., Central time.

REMEMBER!

- You can go online or call and make changes as many times as you like during the Open Enrollment period.
- The final elections in place on Nov. 5, 2021 will be the ones that are effective Jan. 1, 2022.

2022 Medical Contribution Rates

The following chart shows the 2022 monthly contributions for medical coverage. Remember, your contributions for coverage are deducted from your pay on a pre-tax basis.

	YOUR CONTRIBUTIONS	COMPANY CONTRIBUTIONS	TOTAL
Aetna International — Medical Coverage			
Employee-Only	\$196.46	\$ 790.16	\$ 986.62
Employee + Spouse	\$442.75	\$1,727.81	\$2,170.56
Employee + Child(ren)	\$381.13	\$1,493.47	\$1,874.60
Employee + Family	\$530.44	\$2,577.41	\$3,107.85

Critical Illness Plan

Critical illness insurance offers valuable protection by **helping pay out-of-pocket costs associated with serious health conditions**, such as heart attack, stroke, bypass surgery, renal failure, organ transplants, Alzheimer's Disease and certain cancers. The Critical Illness Plan, offered through MetLife, provides a lump-sum benefit to be used however you choose. You can elect coverage amounts of **\$10,000, \$20,000 or \$30,000** for you and/or your family. It is separate from the medical plan, so benefits are payable regardless of whether or not you have met your medical deductible. The plan is available to all employees, but it may be especially helpful to provide “stop gap” coverage for *Value CDH Plan* participants because of that option's high deductibles. Coverage is voluntary and 100% employee-paid.

2022 Critical Illness Contribution Rates

The following chart shows the 2022 monthly contributions per \$10,000 in coverage under the Critical Illness Plan. Coverage of \$20,000 is 2x the rates shown below and coverage of \$30,000 is 3x the rates shown below. Your contributions for coverage are deducted from your pay on an after-tax basis. Therefore, any benefit payments you receive from the plan are non-taxable.

Vision PLUS Plan

Under the Vision PLUS Plan, you can see an in-network VSP provider or an out-of-network provider, but the plan will pay a higher level of benefits if you see an in-network provider. To find an in-network provider, visit www.vsp.com.

Note: The Aetna International expatriate medical plan offers a higher level of vision coverage than the domestic medical plans. Adding VSP coverage may not offer any additional benefit beyond what is already covered as part of the Aetna International expatriate medical plan. Expats should carefully consider their existing coverage before enrolling in the Vision PLUS Plan.

The following chart shows the services covered under the Vision PLUS Plan.

For more details, please refer to the Vision PLUS Plan Summary Plan Description at www.mycpchembenefits.com under “Benefit Handbooks.”

Other Benefit Options to Consider

Besides health care coverage, you'll also be eligible to enroll in — or make changes to — other benefit options during Open Enrollment. For more information on any of these benefit plans, please refer to the Summary Plan Descriptions at www.mycpchembenefits.com under “Benefit Handbooks.”

Flexible Spending Accounts

Flexible Spending Accounts (FSAs) allow you to set aside pre-tax dollars to reimburse yourself for eligible health and/or dependent care expenses. Each year during the Open Enrollment period, you decide if you want to participate in the **Health Care Flexible Spending Account (HCFSA)**, the **Dependent Care Flexible Spending Account (DCFSA)** or **both** for the following year.

2022 FSA MAXIMUMS

For 2022, the maximum annual amounts you can contribute are:

- **\$2,750** to the HCFSA (if you and your spouse both have access to an HCFSA, you can each contribute \$2,750 for a total of \$5,500 per family).
- **\$5,000** to the DCFSA (if you are married and file a joint tax return, the \$5,000 annual limit for the DCFSA applies to you and your spouse together).

The money in your FSAs must be spent by the end of the plan year and reimbursement must be requested by March 31st of the next plan year or you lose it.

Life Insurance

Life insurance pays a benefit to your beneficiary in the event of your death, or to you in the event of your enrolled dependent's death. The Company provides you **basic life insurance** equal to one times your current annual pay — with a minimum benefit of \$10,000 and a maximum benefit of \$250,000. Your coverage amount is rounded up to the next higher \$1,000, if not already a multiple of \$1,000.

IMPORTANT NOTE

You will need to provide Evidence of Insurability if you make your first request for supplemental employee life insurance or supplemental dependent life insurance during Open Enrollment. It's important to take action on your Evidence of Insurability as soon as possible, but no later than March 31, 2022. For 2022 Open Enrollment only, you will be allowed to increase your supplemental employee life insurance by one times your annual base pay and/or supplemental spouse life insurance coverage by \$10,000 (up to benefit maximums) without Evidence of Insurability.

During Open Enrollment, you may elect **supplemental life insurance** for yourself and your eligible dependents, as follows:

- **Employee Supplemental Life**
 - Coverage of one to eight times your current annual pay, with a minimum of \$10,000 and a maximum of \$500,000.
 - Your coverage is rounded up to the next higher \$1,000 if not already a multiple of \$1,000.
 - The maximum coverage you may have for both basic (Company-provided) and supplemental life insurance combined is \$750,000.
- **Dependent Supplemental Life**

If you elect supplemental life insurance for yourself, you may also buy supplemental life coverage for:

 - Your spouse in \$10,000 increments, with a minimum of \$30,000 and a maximum of \$250,000 or the combined total of your basic and supplemental life insurance, whichever is less.
 - Your eligible dependent children with coverage of \$5,000, \$10,000 or \$15,000 for each child.

Accidental Death and Personal Loss (AD&PL) Insurance

If you or your eligible dependent suffers certain accidental injuries, the AD&PL benefit will pay a percentage of your benefit. Your **basic Company-paid AD&PL insurance** is one times your current annual pay, rounded up to the next higher \$1,000 if not already a multiple of \$1,000. The maximum coverage is \$250,000.

You may elect Employee-Only or Family **supplemental AD&PL insurance** in \$10,000 increments, with a minimum of \$50,000 and a maximum of 10 times your current annual pay (rounded up to the next \$10,000) or \$1,000,000, whichever is less.

If you elect Family supplemental AD&PL coverage, your eligible dependents' coverage amounts will be:

- Spouse only — 65% of employee coverage.
- Spouse and children — 55% of employee coverage for spouse and 20% for each child.
- Children only — 25% of employee coverage for each child.

NEW! Company-Paid Long-Term Disability (LTD) Insurance

Long-term disability (LTD) insurance is designed to provide you with financial assistance when you have an injury or illness that lasts longer than 26 weeks.

Effective January 1, 2022, Chevron Phillips Chemical will provide all eligible employees LTD coverage equal to 60% of your basic monthly earnings (which does not include awards, bonuses and unscheduled overtime), up to a maximum benefit of \$12,000 per month, subject to personal income taxes, upon disability. All employees are automatically enrolled in LTD benefits with no Evidence of Insurability required to receive coverage.

Group Legal Plan

When you enroll in the Group Legal Plan through MetLife Legal Plans, a **licensed attorney can assist you with a number of legal matters**. If you use one of MetLife Legal Plan's more than 14,000 in-network attorneys, you are entitled to **unlimited in-office or phone consultations on covered matters** including:

- Estate planning (for example wills, living wills, trusts and powers of attorney).
- Family law (for example adoptions, IRS audits, traffic tickets, name changes, bankruptcy services, home sales/purchases, property tax assessments, debt collection and immigration).
- ID theft services (for example prevention resources and assistance following ID theft).

Group Legal coverage is available for \$16.50 per month. Your contributions for coverage are deducted from your pay on an after-tax basis. The plan covers you, your spouse and your eligible dependents.

Group Home & Auto Insurance

Chevron Phillips Chemical has negotiated group rates through Liberty Mutual for homeowners, automobile, condominium and renters insurance. Group home and auto coverage is not an integrated part of the Open Enrollment process. You can call Liberty Mutual at 1-800-837-5254 anytime to receive a quote and purchase a policy at group rates. You pay Liberty Mutual directly for coverage through electronic fund transfers, online payments or direct billing.

Eligible Dependents

If you enroll in coverage for yourself, you may also enroll your eligible dependents. **If you enroll a new dependent for the first time during Open Enrollment, you will be required to provide proof of eligibility for that dependent.** Eligible dependents include:

- Your legally married spouse in any jurisdiction, regardless of gender or state of residence.
- Your dependent children — including biological children, stepchildren, foster children, legally adopted children, children legally placed for adoption and children under your permanent legal guardianship or permanent sole managing conservatorship — if they are one of the following:
 - Under age 26, regardless of marital, student or employment status;
 - Your mentally or physically disabled child, as defined above, age 26 or older who was covered under the plan before he or she reached age 26; or
 - A child, as defined above, who is the subject of a valid Qualified Medical Child Support Order (QMCSO), as determined by the plan administrator.

Note: If you enroll a dependent who doesn't meet the plan's eligibility requirements or don't cancel coverage within 31 calendar days of when a dependent ceases to meet the plan's dependent eligibility requirements (for example, if you get divorced), he or she will be considered an ineligible dependent and will be removed from coverage. In addition, the plan has the right to request reimbursement of any claims or expenses paid for an ineligible dependent.

Special Enrollment Notice

If you decline enrollment for yourself or your dependents (including your spouse) because of other health insurance coverage or group health plan coverage, you and your dependents may in the future be able to enroll yourself or your dependents in Chevron Phillips Chemical Company LP Health and Welfare plans if you lose your other coverage. You must request enrollment within 31 days after your other coverage ends. In addition, if you have a new dependent as a result of marriage, birth, adoption or placement for adoption, you may be able to enroll yourself and your dependents if you were previously not enrolled. You must enroll within 31 days after marriage, birth, adoption or placement for adoption. If you lose Medicaid or Children's Health Insurance Program (CHIP) coverage because you are no longer eligible, you must request enrollment within 60 days after the loss of such coverage.

If you request a change due to a special enrollment event within the 31 day timeframe, coverage will be effective the date of the special enrollment event. In addition, you may enroll in Chevron Phillips Chemical's medical plan if you become eligible for a state premium assistance program under Medicaid or CHIP. You must request enrollment within 60 days after you gain eligibility for medical plan coverage. If you request this change, coverage will be effective the first of the month following your request for enrollment. Specific restrictions may apply, depending on federal and state law.

Notice of Creditable Coverage

(for employees eligible for Medicare — over-age-65 employees and certain disabled employees)

Please read this notice carefully. It has information about prescription drug coverage available under Chevron Phillips Chemical's medical plans and prescription drug coverage available for people with Medicare. It also tells you where to find more information to help you make decisions about your prescription drug coverage.

You may have heard about Medicare's prescription drug coverage (called Part D), and wondered how it would affect you. Prescription drug coverage is available to everyone with Medicare through Medicare prescription drug plans. All Medicare prescription drug plans provide at least a standard level of coverage set by Medicare. Some plans also offer more coverage for a higher monthly premium.

Individuals can enroll in a Medicare prescription drug plan when they first become eligible, and each year from October 15 through December 7. Individuals leaving employer/union coverage may be eligible for a Medicare Special Enrollment Period.

If you are covered by a Chevron Phillips Chemical medical plan, you'll be interested to know that the prescription drug coverage under our plans is, on average, at least as good as standard Medicare prescription drug coverage for 2022. This is called creditable coverage. Coverage under these plans will help you avoid a late Part D enrollment penalty if you are or become eligible for Medicare and later decide to enroll in a Medicare prescription drug plan.

If you decide to enroll in a Medicare prescription drug plan and you are an active employee or family member of an active employee, you may also continue your employer coverage. In this case, the Chevron Phillips Chemical medical plan will continue to pay primary or secondary as it had before you enrolled in a Medicare prescription drug plan. If you waive or drop Chevron Phillips Chemical coverage, Medicare will be your only payer. You can re-enroll in the Chevron Phillips Chemical plan only during the annual benefits enrollment period or if you have a Special Enrollment event for the Chevron Phillips Chemical plan.

You should know that if you waive or leave coverage with Chevron Phillips Chemical and you go 63 days or longer without creditable prescription drug coverage (once your applicable Medicare enrollment period ends), your monthly Part D premium will go up at least 1% per month for every month that you did not have creditable coverage. For example, if you go 19 months without coverage, your Medicare prescription drug plan premium will always be at least 19% higher than what most other people pay. You'll have to pay this higher premium as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to enroll in Part D.

If you are no longer an active employee and you and/or your spouse are over age 65, Chevron Phillips Chemical no longer provides medical plan coverage including prescription drug coverage and you should enroll in Medicare and a Medicare prescription drug plan.

More detailed information about Medicare plans that offer prescription drug coverage is in the *Medicare & You* handbook. Medicare participants will get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare prescription drug plans. Here's how to get more information about Medicare prescription drug plans:

- Visit www.medicare.gov for personalized help.
- Call your State Health Insurance Assistance Program (see a copy of the *Medicare & You* handbook for the telephone number).
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

For people with limited income and resources, extra help paying for a Medicare prescription drug plan is available. Information about this extra help is available from the Social Security Administration (SSA). For more information about this extra help, visit SSA online at www.socialsecurity.gov or call 1-800-772-1213 (TTY 1-800-325-0778).

Remember: Keep this creditable coverage notice. If you enroll in a Medicare prescription drug plan after your applicable Medicare enrollment period ends, you may need to provide a copy of this notice when you join a Part D plan to show that you are not required to pay a higher Part D premium amount.

Women's Health and Cancer Rights Act (WHCRA)

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and co-insurance applicable to other medical and surgical benefits provided under the medical plan.

Newborns' and Mothers' Health Protection Act

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours, as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

If you would like more information about maternity benefits, please contact your plan administrator.
