OPEN  
ENROLLMENT

## Dear CPChem Colleagues,

CPChem is committed to providing an affordable and competitive benefits package to help improve the well-being of our employees and their families, and I am excited to communicate valuable enhancements to your 2023 benefits package. These offerings are aligned with our Company objectives to provide benefits that improve your overall health, take diversity and inclusion into account and provide resources and tools to continuously improve sustainability and use digitization.

Open Enrollment is your annual opportunity to choose benefits that are the best fit for you and your family. This year's Open Enrollment period is from Nov. 14 – 30, 2022.

### 2023 Enhancements

Your well-being continues to be a priority at CPChem. To that point, we are enhancing the **Well-Being Reimbursement Account (WRA)**, formerly known as the Fitness Reimbursement Account (FRA), to include more eligible categories for the \$200 per year reimbursement, supporting more individualized needs such as child, elder and pet care.

We are also simplifying the **Your Journey to Wellness** program to make it easier for you to meet the requirements to earn up to \$250 in rewards per year.

Additionally, we are increasing the number of Company-paid **Employee Assistance Program (EAP) counseling sessions** available to you and your dependents from six to 10 per person, per issue. Finally, the annual contribution limits for the **Health Savings Account (HSA) and Health Care and Limited-Purpose Flexible Spending Accounts will increase** in the new year, allowing our participating employees to save more for upcoming medical expenses.

### New for 2023

U.S. medical plan participants will have access to a prescription drug plan program, **Rx Savings Solutions**, that can help you save money on prescription drugs. This new voluntary program identifies savings opportunities and can provide you more cost-effective prescriptions. In addition, we are adding a **new weight management program** for U.S. medical plan participants, at no additional cost to you.

### Online Resources Available

We recently discontinued printing and mailing most benefits communications. This year we are continuing these sustainability and digitization efforts with our benefits administrator, Alight, by keeping our benefits resources almost exclusively online. Read your Open Enrollment resources carefully to understand our enrollment process.

If you have questions about your benefits or Open Enrollment, contact your local HR Business Partner or the CPChem Benefits Service Center.

Thank you for all you do — today and every day. Stay well and stay safe.

All the best,

A handwritten signature in black ink that reads "Maricela Caballero".

# NEW!

## What's New for 2023

The following changes are effective Jan. 1, 2023, unless otherwise noted.

### Well-Being Reimbursement Account (WRA)

- The Fitness Reimbursement Account (FRA) will be renamed the Well-Being Reimbursement Account (WRA). As part of this program, you can receive reimbursement of up to **\$200 per year** for certain fitness items as well as well-being support services.
- Newly reimbursable expense categories in 2023 include family caregiver support, pet insurance premiums, well-being mobile apps and athletic shoes.

### Your Journey to Wellness Program Changes

- The *Your Journey to Wellness* program will be simplified to make it easier for you to meet the requirements to receive up to \$250 in rewards per year.
- Blood pressure and glucose (blood sugar) measurements will be combined with three new criteria (triglyceride, HDL cholesterol and waist circumference) to understand your metabolic syndrome risk.
- You will receive the \$40 in wellness program rewards if at least three of the metabolic syndrome risk indicators are in range AND you have a clean nicotine/tobacco screening.
- If three or more indicators are out of range, or if you do not have a clean nicotine/tobacco screening, you may complete three coaching calls with ActiveHealth to receive the \$40 in rewards.

### Employee Assistance Program (EAP) Changes

- The number of Company-paid counseling sessions available to employees and their dependents will increase from six to 10 per person, per issue.

### New Hire Benefits Start Date Change

- The start date for benefits coverage for newly hired employees and their covered dependents will change from the first day of the month following their hire date to the new employee's date of hire. This change is applicable to medical, dental, vision, critical illness, FSA, HSA, supplemental life, supplemental AD&PL and group legal plan coverage. All other benefit coverages already start on the employee's date of hire.

### Weight Management Program — Wondr

- U.S. medical plan participants ages 18 and older who meet basic screening requirements will be eligible to participate in a new weight management point solution through Wondr at no additional cost.
- Wondr includes a mailed welcome kit, a simple self-paced mobile app for 24/7 support, on-call health coaches and an online community for social support.

### Travel Expense Reimbursement

- Effective July 1, 2022, U.S. medical plan participants are eligible to receive reimbursement of travel and lodging expenses if they travel to obtain covered services that are unavailable within 100 miles of their home.
- Expenses are eligible for reimbursement for the patient and one approved caregiver (or two approved caregivers if the patient is a child) for travel and lodging up to \$50/day per person (\$100/day combined), to an annual limit of \$10,000/year per patient.

### Prescription Drug Plan Benefits

- U.S. medical plan participants will have access to Rx Savings Solutions (RxSS), a program that can help you save money on prescription drugs.
- RxSS identifies savings opportunities by recommending lower cost alternative medicines, purchase channel substitutes and coupons for certain drugs.
- Beginning in February 2023, RxSS will contact you if you have a drug savings opportunity and, if you choose to participate, RxSS will contact the physician and the pharmacy on your behalf to make any needed changes to prescriptions.

### HSA/FSA Contribution Limit Increases

- The annual contribution limit for the Health Savings Account (HSA) will increase to \$3,850 for employee-only coverage and \$7,750 for all other coverage levels which includes CPChem's contribution.
- The annual contribution limit for the Health Care Flexible Spending Account (HCFSA) and Limited-Purpose Flexible Spending Account (LPFSA) will increase to \$3,050.

# What You Need to Do

Open Enrollment for your 2023 health and welfare benefits runs from Nov. 14 – 30, 2022. You may or may not need to actively enroll — depending on your current benefits and the changes you wish to make for 2023.

## UNDERSTAND YOUR OPTIONS

- Review your current coverages and your 2023 options and costs online at [digital.alight.com/cpchem](https://digital.alight.com/cpchem).
- Use online support tools at [www.mycpchembenefits.com](https://www.mycpchembenefits.com) and [www.healthadvocate.com/members](https://www.healthadvocate.com/members). See page 17 for details.

## ANSWER THESE QUESTIONS

- **Are you covering your spouse under the medical plan? If so, you MUST answer the spousal surcharge attestation questions every year during Open Enrollment.**
- Do you want to contribute to a Flexible Spending Account (FSA) or Health Savings Account (HSA) for 2023?
- Do you need to add or remove a dependent from coverage?
- Do you need to add/update beneficiary designations?
- Do you want to change any of your current coverages?
- Do you want to enroll in a benefit in which you were not enrolled for 2022?

YES

NO

### ENROLL

- Enroll or make changes to your benefit elections using the instructions on page 4.
- Answer the spousal surcharge attestation questions (if you're covering your spouse under the medical plan).

### YOU'RE DONE

- If your spouse is enrolled in the medical plan, the \$100/month spousal surcharge will apply for 2023.
- Your current elections (except for FSA and HSA) will roll over for 2023.
- **Important: You will not contribute to a Flexible Spending Account (FSA) or Health Savings Account (HSA) unless you make a new election for 2023.**

## Enroll

If you answered “yes” to one of the questions on page 3, you should enroll for 2023. You can enroll online or by calling the CPChem Benefits Service Center.

### ▪ Enroll online

- Enroll through the CPChem Benefits Service Center website at [digital.alight.com/cpchem](https://digital.alight.com/cpchem). If you haven’t logged in to the website before, you’ll need to provide basic identifying information (last four digits of your Social Security number, date of birth and home ZIP code), and you will be prompted to create a password when you register for the website.
- You can also find a link to the enrollment website on MySphere by clicking on “Benefits Service Center” under “My Benefits.”

### ▪ Enroll by phone

- Call the CPChem Benefits Service Center at **1-833-964-3575**. Representatives are available Monday through Friday, from 8 a.m. to 5 p.m., Central time.

## THINGS TO CONSIDER

- **If you don’t confirm during Open Enrollment that your covered spouse is not eligible for medical coverage through their employer (other than CPChem), you will be assessed a \$100/month pre-tax spousal surcharge in 2023.**
- If you want to contribute to a Flexible Spending Account (FSA) in 2023, you must enroll for coverage during Open Enrollment.
- You can make or change your Health Savings Account (HSA) contribution elections at any time, but Open Enrollment is a convenient time to do so.

## REMEMBER!

- You can go online or call and make changes as many times as you like during the Open Enrollment period.
- The final elections in place on Nov. 30, 2022, will be the ones that are effective Jan. 1, 2023.

## DON’T FORGET!

You can earn up to \$250 in rewards in 2022 by completing different activities through the *Your Journey to Wellness* program by Dec. 13, 2022. For more information, visit [www.mycpchembenefits.com/wellness](https://www.mycpchembenefits.com/wellness).

<sup>1</sup> For the *Value CDH Plan* and the *Choice PPO Plan*, in-network expenses don't apply to the out-of-network deductible or out-of-pocket maximum, and out-of-network expenses don't apply to the in-network deductible or out-of-pocket maximum.

<sup>2</sup> Unless otherwise noted, benefits paid at 90%, 80%, 70%, 60% or 50% co-insurance are paid only after the deductible has been met.

<sup>3</sup> For the *Value CDH Plan* only, the deductible is the same whether you and your family sign up for Employee + Spouse, Employee + Child(ren), or Employee + Family coverage, and there are no individual sub-limits for each covered person. The full deductible can be met by one family member or a combination of family members.

<sup>4</sup> For limits, see the Preventive Care Guidelines on [www.mycpchembenefits.com/health](http://www.mycpchembenefits.com/health).

<sup>5</sup> For the *Select EPO Plan* only, lab and X-ray charges for services performed at a doctor's office and billed as part of the visit are covered by the office visit copay. When these services are not performed at the time of the office visit, are performed at another facility or are performed by an entity other than the doctor's office, you and/or your family must first meet your deductible, and then the expense will be covered at 90%. The deductible is waived for preventive services regardless of where services are performed.

<sup>6</sup> 100% coverage for prenatal office visits does not include inpatient admissions, high risk specialist visits, ultrasounds, amniocentesis, fetal stress tests, certain diagnostic lab tests or delivery including anesthesia.

<sup>7</sup> In a medical emergency, out-of-network hospital emergency room and ambulance will be covered at the in-network level.

<sup>8</sup> Eligible services at Blue Distinction Centers (BDCs) and Blue Distinction Centers+ (BDC+) include cardiac care, knee/hip replacement, spine surgery and maternity care.

<sup>9</sup> Spinal manipulation includes non-surgical spinal manipulation provided by chiropractor, physical therapist or other applicable licensed provider — up to 20 visits/year. The limit applies to the total of both in-network and out-of-network visits.

<sup>11</sup> The combined maximum for physical, occupational and speech therapy is 60 visits/year. The limit applies to the total of both in-network and out-of-network visits.

<sup>12</sup> Under the True Accumulator program, manufacturer's coupon payments for specialty drugs will not count toward your medical plan deductible, co-insurance or out-of-pocket maximum.

<sup>13</sup> You must enroll in PrudentRx to participate. A list of eligible specialty drugs is available online at [www.mycpchembenefits.com/health](http://www.mycpchembenefits.com/health) under "CVS Caremark." If you are not enrolled in PrudentRx, you will pay 30% co-insurance for specialty drugs.

## 2023 Medical Contribution Rates

The following chart shows the 2023 monthly contributions for each option. Remember, your contributions for coverage are deducted from your pay on a pre-tax basis.

Employee + Family	\$705.48	\$1,930.74	\$2,636.22

**Note: You will pay a \$100/month pre-tax surcharge — in addition to the monthly contribution above — if your spouse is enrolled as a covered dependent in Chevron Phillips Chemical’s medical plan and they have access to other medical coverage through their employer (other than CPChem).**

### DID YOU KNOW?

If you enroll in the *Value CDH Plan*, the Company will contribute money to a Health Savings Account (HSA) that you can use to reimburse yourself for eligible health care expenses.

If you read and agree to Fidelity’s HSA terms and conditions on the Alight site during Open Enrollment, Fidelity will set up an HSA account for you. Then, Chevron Phillips Chemical will contribute **\$500** to your HSA for Employee-Only coverage or **\$1,000** for all other coverage levels in 2023. You can also contribute pre-tax dollars through convenient payroll deductions.

# Critical Illness Plan

Critical illness insurance offers valuable protection by **helping pay out-of-pocket costs associated with serious health conditions**, such as heart attack, stroke, bypass surgery, renal failure, organ transplants, Alzheimer’s Disease and certain cancers. The Critical Illness Plan, offered through MetLife, provides a lump-sum benefit to be used however you choose. You can elect coverage amounts of **\$10,000, \$20,000 or \$30,000** for you and/or your family. It is separate from the medical plan, so benefits are payable regardless of whether or not you have met your medical deductible. The plan is available to all employees, but it may be especially helpful to provide “stop gap” coverage for *Value CDH Plan* participants because of that option’s high deductibles. Coverage is voluntary and 100% employee-paid.

## 2023 Critical Illness Contribution Rates

The following chart shows the 2023 monthly contributions per \$10,000 in coverage under the Critical Illness Plan. Coverage of \$20,000 is 2x the rates shown below and coverage of \$30,000 is 3x the rates shown below. Your contributions for coverage are deducted from your pay on an after-tax basis. Therefore, any benefit payments you receive from the plan are non-taxable.

# Vision PLUS Plan

Under the Vision PLUS Plan, you can see an in-network VSP provider or an out-of-network provider, but the plan will pay a higher level of benefits if you see an in-network provider. To find an in-network provider, visit [www.vsp.com](http://www.vsp.com). Keep in mind that the medical plan options still cover an annual in-network non-corrective eye exam — but if you enroll in the Vision PLUS Plan, you will also have coverage for a corrective eye exam, lenses, frames and contacts.

The following chart shows the services covered under the Vision PLUS Plan.

VISION PLUS PLAN — VSP		
	IN-NETWORK	OUT-OF-NETWORK
Eye exam, including corrective exam and contact lens fitting and evaluation (once per calendar year)	Covered 100%	Reimbursed up to \$45
Frames (once every two calendar years)	Covered up to \$150; 20% discount on any amount over \$150	Reimbursed up to \$70
Lenses (once per calendar year)		
– Single	Covered 100%	Reimbursed up to \$30
– Bifocal	Covered 100%	Reimbursed up to \$50
– Trifocal	Covered 100%	Reimbursed up to \$65

# Other Benefit Options to Consider

Besides health care coverage, you'll also be eligible to enroll in — or make changes to — other benefit options during Open Enrollment. For more information on any of these benefit plans, please refer to the Summary Plan Descriptions at [www.mycpchembenefits.com](http://www.mycpchembenefits.com) under “Benefit Handbooks.”

## Flexible Spending Accounts

Flexible Spending Accounts (FSAs) allow you to set aside pre-tax dollars to reimburse yourself for eligible health and/or dependent care expenses. Each year during the Open Enrollment period, you decide if you want to participate in the **Health Care Flexible Spending Account (HCFSA), the Limited-Purpose Flexible Spending Account (LPFSA) and/or the Dependent Care Flexible Spending Account (DCFSA)** for the following year.

Keep in mind that if you enroll in the *Value CDH Plan* or another IRS-qualified high deductible medical plan, you cannot participate in an HCFSA, but you have the option to participate in an LPFSA. You can use the LPFSA to set aside pre-tax dollars and reimburse yourself for eligible expenses, such as dental and vision expenses. You can also use the account for other HCFSA-eligible expenses after you have met your *Value CDH Plan* deductible.

### 2023 FSA MAXIMUMS

For 2023, the maximum annual amounts you can contribute are:

- **\$3,050** to the HCFSA or LPFSA (if you and your spouse both have access to an HCFSA, you can each contribute \$3,050 for a total of \$6,100 per family).
- **\$5,000** to the DCFSA (if you are married and file a joint tax return, the \$5,000 annual limit for the DCFSA applies to you and your spouse together).

The money in your FSAs must be spent by the end of the plan year and reimbursement must be requested by March 31st of the next plan year or you lose it.

## Health Savings Account

The Health Savings Account (HSA) is a special account that you're eligible for when you elect the *Value CDH Plan*, as long as you and your covered dependents are not also otherwise covered by any other medical plan other than an IRS-qualified high-deductible health plan (including any Medicare plans). If you were automatically enrolled in Medicare Part A when you turned 65, you cannot (nor can the Company) contribute to the HSA until you waive Medicare coverage. The purpose of the account is to accumulate funds to pay your out-of-pocket health care costs, such as your deductible and co-insurance amounts. Unlike the HCFSA or LPFSA, any money remaining in your HSA at the end of the year rolls over for use in future years.

When you enroll in the *Value CDH Plan*, agree to Fidelity's HSA terms and conditions on the Alight site, and an account is opened with Fidelity (if you elect the *Value CDH Plan* for the first time), **Chevron Phillips Chemical will contribute \$500 to your HSA for Employee-Only coverage or \$1,000 for Employee + Spouse, Employee + Child(ren) or Employee + Family coverage.** You can also contribute and invest pre-tax dollars through convenient payroll deductions.

### 2023 HSA MAXIMUMS

For 2023, the combined employer and employee HSA contribution limits are:

- **\$3,850** for Employee-Only coverage
- **\$7,750** for Employee + Spouse, Employee + Child(ren) or Employee + Family coverage

If you are at least age 55, are not enrolled in Medicare, are not receiving Medicare benefits (including Medicare Part A or Part B benefits) and are otherwise eligible, you may elect to make a catch-up contribution of an additional \$1,000 to your HSA.

## Life Insurance

Life insurance pays a benefit to your beneficiary in the event of your death, or to you in the event of your enrolled dependent's death. The Company provides you **basic life insurance** equal to one times your current annual pay — with a minimum benefit of \$10,000 and a maximum benefit of \$250,000. Your coverage amount is rounded up to the next higher \$1,000, if not already a multiple of \$1,000.

### IMPORTANT NOTE

You will need to provide Evidence of Insurability if you make your first request for supplemental employee life insurance or supplemental dependent life insurance during Open Enrollment. It's important to take action on your Evidence of Insurability as soon as possible, but no later than March 31, 2023.

During Open Enrollment, you may elect **supplemental life insurance** for yourself and your eligible dependents, as follows:

- **Employee Supplemental Life**
  - Coverage of one to eight times your current annual pay, with a minimum of \$10,000 and a maximum of \$500,000.
  - Your coverage is rounded up to the next higher \$1,000 if not already a multiple of \$1,000.
  - The maximum coverage you may have for both basic (Company-provided) and supplemental life insurance combined is \$750,000.
- **Dependent Supplemental Life**

If you elect supplemental life insurance for yourself, you may also buy supplemental life coverage for:

  - Your spouse in \$10,000 increments, with a minimum of \$30,000 and a maximum of \$250,000 or the combined total of your basic and supplemental life insurance, whichever is less.
  - Your eligible dependent children with coverage of \$5,000, \$10,000 or \$15,000 for each child.

## Accidental Death and Personal Loss (AD&PL) Insurance

If you or your eligible dependent suffers certain accidental injuries, the AD&PL benefit will pay a percentage of your benefit. Your **basic Company-paid AD&PL insurance** is one times your current annual pay, rounded up to the next higher \$1,000 if not already a multiple of \$1,000. The maximum coverage is \$250,000.

You may elect Employee-Only or Family **supplemental AD&PL insurance** in \$10,000 increments, with a minimum of \$50,000 and a maximum of 10 times your current annual pay (rounded up to the next \$10,000) or \$1,000,000, whichever is less.

If you elect Family supplemental AD&PL coverage, your eligible dependents' coverage amounts will be:

- Spouse only — 65% of employee coverage.
- Spouse and children — 55% of employee coverage for spouse and 20% for each child.
- Children only — 25% of employee coverage for each child.

## Company-Paid Long-Term Disability (LTD) Insurance

Long-term disability (LTD) insurance is designed to provide you with financial assistance when you have an injury or illness that lasts longer than 26 weeks. Chevron Phillips Chemical provides all eligible employees LTD coverage equal to 60% of your basic monthly earnings (which does not include awards, bonuses and unscheduled overtime), up to a maximum benefit of \$12,000 per month, subject to personal income tax, upon disability. All employees are automatically enrolled in LTD benefits with no Evidence of Insurability required to receive coverage.

## Group Legal Plan

When you enroll in the Group Legal Plan through MetLife Legal Plans, a **licensed attorney can assist you with a number of legal matters**. If you use one of MetLife Legal Plan's more than 14,000 in-network attorneys, you are entitled to **unlimited in-office or phone consultations on covered matters** including:

- Estate planning (for example wills, living wills, trusts and powers of attorney).
- Family law (for example adoptions, IRS audits, traffic tickets, name changes, bankruptcy services, home sales/purchases, property tax assessments, debt collection and immigration).
- ID theft services (for example prevention resources and assistance following ID theft).

Group Legal coverage is available for \$16.50 per month. Your contributions for coverage are deducted from your pay on an after-tax basis. The plan covers you, your spouse and your eligible dependents.

## Group Home & Auto Insurance

Chevron Phillips Chemical has negotiated group rates through Liberty Mutual for homeowners, automobile, condominium and renters insurance. Group home and auto coverage is not an integrated part of the Open Enrollment process. You can call Liberty Mutual at 1-800-837-5254 anytime to receive a quote and purchase a policy at group rates. You pay Liberty Mutual directly for coverage through electronic fund transfers, online payments or direct billing.

## Eligible Dependents

If you enroll in coverage for yourself, you may also enroll your eligible dependents. **If you enroll a new dependent for the first time during Open Enrollment, you will be required to provide proof of eligibility for that dependent.** Eligible dependents include:

- Your legally married spouse in any jurisdiction, regardless of gender or state of residence.
- Your dependent children — including biological children, stepchildren, foster children, legally adopted children, children legally placed for adoption and children under your permanent legal guardianship or permanent sole managing conservatorship — if they are one of the following:
  - Under age 26, regardless of marital, student or employment status;
  - Your mentally or physically disabled child, as defined above, age 26 or older who was covered under the plan before he or she reached age 26; or
  - A child, as defined above, who is the subject of a valid Qualified Medical Child Support Order (QMCSO), as determined by the plan administrator.

**Note:** If you enroll a dependent who doesn't meet the plan's eligibility requirements or don't cancel coverage within 31 calendar days of when a dependent ceases to meet the plan's dependent eligibility requirements (for example, if you get divorced), he or she will be considered an ineligible dependent and will be removed from coverage. In addition, the plan has the right to request reimbursement of any claims or expenses paid for an ineligible dependent.

# Legal Notices

The Health Insurance Portability and Accountability Act of 1996 (HIPAA) requires that you receive the following legal notices.

## Special Enrollment Notice

If you decline enrollment for yourself or your dependents (including your spouse) because of other health insurance coverage or group health plan coverage, you and your dependents may in the future be able to enroll yourself or your dependents in Chevron Phillips Chemical Company LP Health and Welfare plans if you lose your other coverage. You must request enrollment within 31 days after your other coverage ends. In addition, if you have a new dependent as a result of marriage, birth, adoption or placement for adoption, you may be able to enroll yourself and your dependents if you were previously not enrolled. You must enroll within 31 days after marriage, birth, adoption or placement for adoption. If you lose Medicaid or Children's Health Insurance Program (CHIP) coverage because you are no longer eligible, you must request enrollment within 60 days after the loss of such coverage.

If you request a change due to a special enrollment event within the 31 day timeframe, coverage will be effective the date of the special enrollment event. In addition, you may enroll in Chevron Phillips Chemical's medical plan if you become eligible for a state premium assistance program under Medicaid or CHIP. You must request enrollment within 60 days after you gain eligibility for medical plan coverage. If you request this change, coverage will be effective the first of the month following your request for enrollment. Specific restrictions may apply, depending on federal and state law.

## Privacy Protections

HIPAA imposes requirements on employer health plans concerning the use and disclosure of individual health information. To obtain a copy of the privacy notice for Chevron Phillips Chemical Company LP Health and Welfare plans, contact the CPChem Benefits Service Center at 1-833-964-3575.

## Notice of Creditable Coverage

*(for employees eligible for Medicare — over-age-65 employees and certain disabled employees)*

Please read this notice carefully. It has information about prescription drug coverage available under Chevron Phillips Chemical's medical plans and prescription drug coverage available for people with Medicare. It also tells you where to find more information to help you make decisions about your prescription drug coverage.

You may have heard about Medicare's prescription drug coverage (called Part D), and wondered how it would affect you. Prescription drug coverage is available to everyone with Medicare through Medicare prescription drug plans. All Medicare prescription drug plans provide at least a standard level of coverage set by Medicare. Some plans also offer more coverage for a higher monthly premium.

Individuals can enroll in a Medicare prescription drug plan when they first become eligible, and each year from October 15 through December 7. Individuals leaving employer/union coverage may be eligible for a Medicare Special Enrollment Period.

**If you are covered by a Chevron Phillips Chemical medical plan, you'll be interested to know that the prescription drug coverage under our plans is, on average, at least as good as standard Medicare prescription drug coverage for 2023. This is called creditable coverage. Coverage under these plans will help you avoid a late Part D enrollment penalty if you are or become eligible for Medicare and later decide to enroll in a Medicare prescription drug plan.**

If you decide to enroll in a Medicare prescription drug plan and you are an active employee or family member of an active employee, you may also continue your employer coverage. In this case, the Chevron Phillips Chemical medical plan will continue to pay primary or secondary as it had before you enrolled in a Medicare prescription drug plan. If you waive or drop Chevron Phillips Chemical coverage, Medicare will be your only payer. You can re-enroll in the Chevron Phillip Chemical plan only during the annual benefits enrollment period or if you have a Special Enrollment event for the Chevron Phillips Chemical plan.

You should know that if you waive or leave coverage with Chevron Phillips Chemical and you go 63 days or longer without creditable prescription drug coverage (once your applicable Medicare enrollment period ends), your monthly Part D premium will go up at least 1% per month for every month that you did not have creditable coverage. For example, if you go 19 months without coverage, your Medicare prescription drug plan premium will always be at least 19% higher than what most other people pay. You'll have to pay this higher premium as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to enroll in Part D.

**If you are no longer an active employee and you and/or your spouse are over age 65, Chevron Phillips Chemical no longer provides medical plan coverage including prescription drug coverage and you should enroll in Medicare and a Medicare prescription drug plan.**

**For more information about this notice or your current prescription drug coverage...**

Contact the CPChem Benefits Service Center at 1-833-964-3575. **Note:** You'll get this notice each year. You may receive this notice at other times in the future — such as before the next period you can enroll in Medicare prescription drug coverage, if Chevron Phillips Chemical's coverage changes, or upon your request.

**For more information about your options under Medicare prescription drug coverage...**

More detailed information about Medicare plans that offer prescription drug coverage is in the *Medicare & You* handbook. Medicare participants will get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare prescription drug plans. Here's how to get more information about Medicare prescription drug plans:

- Visit [www.medicare.gov](http://www.medicare.gov) for personalized help.
- Call your State Health Insurance Assistance Program (see a copy of the *Medicare & You* handbook for the telephone number).
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

For people with limited income and resources, extra help paying for a Medicare prescription drug plan is available. Information about this extra help is available from the Social Security Administration (SSA). For more information about this extra help, visit SSA online at [www.socialsecurity.gov](http://www.socialsecurity.gov) or call 1-800-772-1213 (TTY 1-800-325-0778).

**Remember: Keep this creditable coverage notice. If you enroll in a Medicare prescription drug plan after your applicable Medicare enrollment period ends, you may need to provide a copy of this notice when you join a Part D plan to show that you are not required to pay a higher Part D premium amount.**

**Women's Health and Cancer Rights Act (WHCRA)**

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and co-insurance applicable to other medical and surgical benefits provided under the medical plan.

**Newborns' and Mothers' Health Protection Act**

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours, as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

If you would like more information about maternity benefits, please contact your plan administrator.

This enrollment package is presented as a matter of information and as an expression of management policy. It isn't intended to constitute a promise or contractual commitment by the Company of your continued employment and eligibility for benefits. The Company reserves the right to unilaterally change or terminate any or all of its employee benefit plans and programs at any time and without prior notice. Also, modifications may be necessary to comply with applicable legal requirements. In the event of any inconsistency between a statement contained in this enrollment package and the relevant plan document, plan summary or plan prospectus, the plan document, plan summary or plan prospectus will control over the statement in this enrollment package. Employees covered by collective bargaining agreements will also be subject to the benefit plan provisions contained in the applicable collective bargaining agreements.
